# MBS' MAJOR CORPORATE PARTNERS

# ABOUT IPSA [Institute of Polytechnic Science and Aeronautics]

- **Established in 1961** by French Aircraft Experts.
- **Located at Paris and Toulouse**- Located at the crossroads of the industrial and academic worlds and with its research laboratories dedicated to aerospace, it places innovation at the heart of its training and also promotes international openness.
- **The title of engineer issued by IPSA is recognized by the CTI (Engineering Degree Commission)**. It certifies that the graduate is capable of tackling any problem related to air and space. The graduate has extensive general knowledge but also highly specialized skills in the fields of aeronautics and space.
- **700 partnerships with leading companies**.
- **Internship and enterprise Forums are organized every year**. They provide an opportunity for concrete meetings between final-year students, former students looking for work and professionals in the sector, leading to recruitment or end-of-study internships.
- **IPSA trains aeronautics and space enthusiasts** through its specialist **engineering course**.
