

# HUNGARY

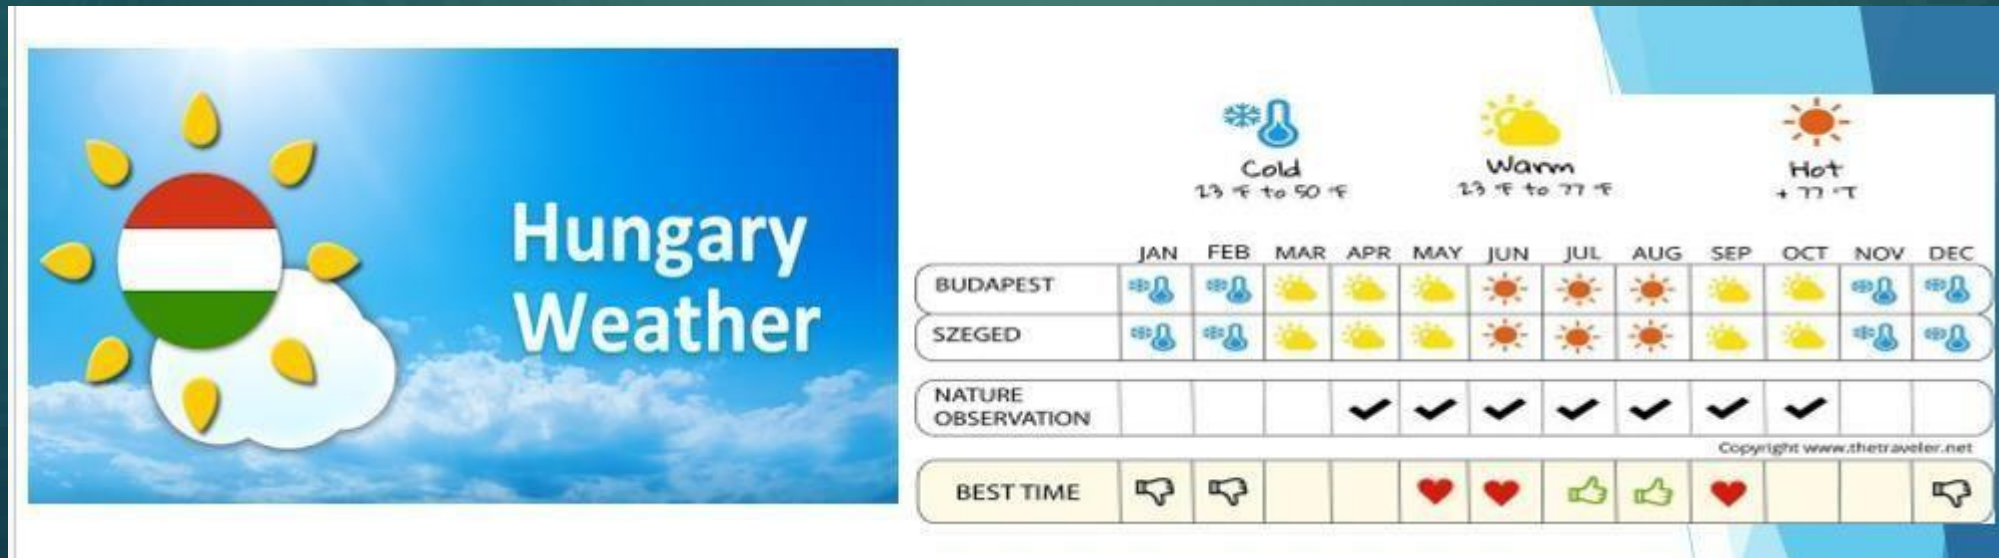

## About Hungary: -

- ▶ The country is relatively small, but rich in diverse, beautiful landscapes and natural resources. Hungary is well-known for **its wealth of thermal and mineral water sources**. It is often called the land of waters, and the thermal lakes and baths attract thousands of tourists to the country throughout the whole year.
- ▶ **Weather in Hungary** is typical for countries with continental climate: there are four seasons, with hot, dry summers and mildly cold, snowy winters.
- ▶ The public transport, sports venues, cinema ticket will all cost almost half of the original rate with the student ID card.
- ▶ Hungary is popular for studies in the sciences, particularly in such fields as medicine, dentistry, and Veterinary medicine
- ▶ High quality education with **reasonable tuition fees**. Internationally recognized universities.
- ▶ Visa process is hassle free. Practice oriented programs which enable skill development.
- ▶ Internationally recognized degree. IELTS is not mandatory. U G 23 max yrs. and P G 32 max yrs.

➤ Hungary is the home of an exciting start-up scene, making it an ideal location for business students and those with an entrepreneurial spirit.

➤ Hungary has become a regional incubator for software development, including process control software, game programs and geographical information technology, focusing on navigation systems.

➤ Finding a good place to stay is a very important part of your study abroad experience. When it comes to student housing in Hungary you have several options. Most universities in Hungary have dormitories which are usually the cheapest alternative.

Location:- East-central Europe is a landlocked country situated in the Carpathian Basin.

Neighbouring countries: Austria, Slovakia, Ukraine, Romania, Serbia, Croatia and Slovenia.

Capital:- Budapest

Currency:- Forint (HUF)

Language:- Hungarian

Living cost:- 450E--650E Per month

IELTS:- Not mandatory

Stay back:- 9 months

Show fund:- Bachelors:- 9-10L  
Masters: - 12-14L

## ❖ Eligibility Criteria

- MOI / IELTS
- Resume
- LOR
- High school leaving certificate.
- 60% marks in previous Studies
- Entrance examination is compulsory for Medicine, Dentistry and Pharmacy programs
- English test is available for students who can't provide English language certificate.
- For bachelors gap accepted min up to 3 years and for masters age gap accepted is up to 5 years.

# Top Universities:-

- ▶ International Business School
- ▶ University of P E C S
- ▶ Budapest Metropolitan University
- ▶ University of Debrecen

**INTERNATIONAL  
BUSINESS SCHOOL**

## About IBS Hungry: -

- ▶ At IBS you will graduate with a **British or an Irish degree** in addition to a Hungarian degree by IBS.
- ▶ Best business school **2<sup>nd</sup> Rank in Hungary**. In world 500<sup>th</sup> Rank.
- ▶ Here is what you can expect:

UNIVERSITY *of*  
DEBRECEN

- The history of Debrecen's higher education dates back to the 16th century. The Reformed College of Debrecen, established in 1538, played a central role in education, teaching in native language and spreading Hungarian culture in the region, as well as in the whole country. The College soon became the most important cultural center in the whole country, where a great number of writers, scientists and politicians were educated at.
- [The University of Debrecen is proud to offer more than 80-degree programs fully taught in English: including Foundation Programs, Undergraduate Programs, Graduate Programs and Phd/Doctoral Programs.](#)
- The duration of the **undergraduate** programs is mostly **6 or 7 semesters**, and the **average tuition fee is 6,000 USD/ year**. The duration of the **graduate** programs is mostly **4 semesters**, and the **average tuition fee is 7,500** reserving its leading position in Hungarian higher education, by 2020 the University of Debrecen agricultural activities with an international ranking, found in the upper half, under both "Programs" and "Institutions".
