### **ABOUT INSTITUTE**

Infamously known as Sir Stanford Fleming College, Fleming College first opened its gates in 1967. The college resides in the city of Peterborough. The inventor of Universal Standard Time, the college is named after the visionary engineer and inventor, Sir Stanford Fleming. Fleming College offers more than 100 programs in subjects of arts and heritage, business, natural resource sciences, health and wellness, skilled trades, and much more. The college also offers a program in Computer Security and Investigation, which is available in only two other places in Canada. The college has a partnership with Trent University

Home to over 4000 students, Sutherland Campus is the colleges largest campus with 200-acres of green space, eight on-campus student residences called St. Joseph, and state-of-the-art learning facilities. Fleming College has an alumni strength of more than 71,000 successful professionals. As per the KPI results, Fleming college students had an employer satisfaction rate of 90.1% and an employment rate of 88.6%. Research Infosource Inc. ranked Fleming College at 11th position in Ontario and 29th nationally, among the top 50 Research Colleges in 2014. The college has earned Gold Star Rating by the Association for Advancement of Sustainability in Higher Education (AASHE).

## **REFUND / WITHDRAWAL POLICY**

**These guidelines and procedures are in effect from February 1, 2024 to January 1, 2026.**

**This document was developed in response to the IRCC announcements made on January 22, 2024, to specifically address circumstances and situations that International applicants and students may encounter resulting from the study permit application process. Before you apply for a withdrawal/refund, it is important that you review this document carefully.**

**How to Apply for Withdrawal and Refund:** If you want to apply for a refund, you must complete and submit an **International Withdrawal Form**. The Withdrawal Form must be filled in completely to ensure that the refund is processed. You must submit your withdrawal request by the stipulated deadline in order to be eligible for a fee refund.

**If you receive a Visa Denial for the May 2024, Fall 2024 or Winter 2025 Semesters.**

**Please follow these steps if you are a new student or applicant for the Fall 2024 or Winter 2025 term and have received a VisaDenial:**

- You (or your registered agent if they applied on your behalf) must complete the **International Withdrawal Form** and follow the instructions provided to submit any supporting documentation.
- Upon receipt of all documentation, your withdrawal application will be processed to refund your fees paid for Fall 2024 term and any future terms, if paid, minus a \$250 CAD. administrative charge.
- NOTE: for May 2024, the administrative fee charge for Visa denial is \$500 CAD.
- **You must notify the college within 30 days of receiving your Visa Denial.**

**If you are withdrawing for any reason other than a Visa Denial and have not been issued a Provincial Attestation Letter from the college:** If you accepted an offer of admission and made payment for at least 1 full semester of tuition fees, and did not receive a Provincial Attestation Letter from Fleming College to apply for a study permit, you do not need to submit a withdrawal request. You will receive a refund automatically within 6 to 8 weeks of all tuition fees paid.

**If you are withdrawing for any reason other than a Visa Denial and have been issued a Provincial Attestation Letter: If you choose to withdraw from the college for any reason other than a Visa Denial after receiving a Provincial Attestation Letter, please follow these steps:**

- You (or your registered agent if they applied on your behalf) must complete the International Withdrawal Form and follow the instructions provided to submit any supporting documentation.
- You will not receive a refund of any tuition for your 1st semester fees. Any tuition fees paid for Semester 2 or later semesters will be refunded.

### **IMPORTANT INFORMATION**

Once you have completed a term of study, you will not receive a refund for that term if you receive a Visa Denial at any point in the future.

Your fee refund will be issued in the same manner as the original method of payment regardless of the reason for your withdrawal and to the same person/account who made the initial payment. Example: If you paid via wire transfer, your refund will be issued by wire transfer back to the same account/account holder as the originating payment. Please ensure that you complete the appropriate form for the method of refund.

The student is responsible to ensure that the Office of the Registrar receives all documentation. Failure to do so may delay processing of your withdrawal request submission. You must notify the college within 30 days of receiving your Visa Denial. We will begin processing refunds after the close of the registration period for each term. It can take 6 to 8 weeks to process a refund after this time.

Failure to officially withdraw will negatively reflect on your records.

If you have not received your refund within 90 days once all steps for a refund have been completed and documentation has been submitted, please contact [admissions@flemingcollege.ca](mailto:admissions@flemingcollege.ca)

A. Within the first 10 school days of the semester, you must submit a completed Fleming College International Student Withdrawal Form, plus the appropriate documentation to receive a refund of the tuition fees you paid. Your withdrawal must be approved by the Office of the Registrar. Upon receipt of all documentation, your

withdrawal application will be processed to refund your fees paid, less the \$2,300 non-refundable tuition deposit.

B. If you withdraw after the first 10th day of the semester, you will not be eligible for a refund of the 1st Semester or the whole tuition fees paid Subject to Fleming College Withdrawal Policy.

## SCHOLARSHIP

### **Assistance Available Through the Financial Aid Office**

You could be eligible for a bursary or scholarship. Be sure to apply!

We have approximately \$2 million available annually for student bursaries and scholarships. Funding for these scholarships and bursaries is provided by various sources:

A percentage of tuition fees collected by Fleming College are allocated towards Financial Need Bursary Programs for full-time students

Through the efforts of Fleming College's Advancement and Alumni Relations Department, we are able to offer numerous donor sponsored bursaries, scholarships and academic awards.

Academic Awards are distributed to students through Academic Schools and students are not required to apply. You will be notified if you are a recipient of an Award. Criteria is often based on academic performance or qualities such as leadership and community involvement.

### **Bursaries available for the academic year**

The value of scholarships and bursaries are subject to change.

International Students should also see the Scholarships for International Students page.
